WALL2FLOOR

IT. Sistema continuo per la decorazione di pareti e pavimenti

Pareti e pavimenti di design. Superfici continue e senza giunte dove la materia è protagonista con il suo fascino senza tempo.

Wall2Floor è un rivestimento decorativo per superfici orizzontali e verticali interne, che permette la realizzazione di finiture senza giunte. Wall2Floor offre soluzioni estetiche di grande pregio, con prestazioni in grado di rispondere alle aspettative di progettisti e architetti.

Wall2Floor è la risposta alle molteplici esigenze tecnico-estetiche dell'architettura contemporanea, in ambito privato o commerciale, nelle seguenti aree di utilizzo: Residential, per superfici orizzontali e verticali, in interni ed esterni protetti, mediante l'utilizzo delle varianti in microcemento Wall2Floor Top Coat e Top Coat Fine; Hospitality & Wellness, anche in area umide, grazie alla soluzione epossidica e resistente all'acqua Wall2Floor Top Coat Waterproof.

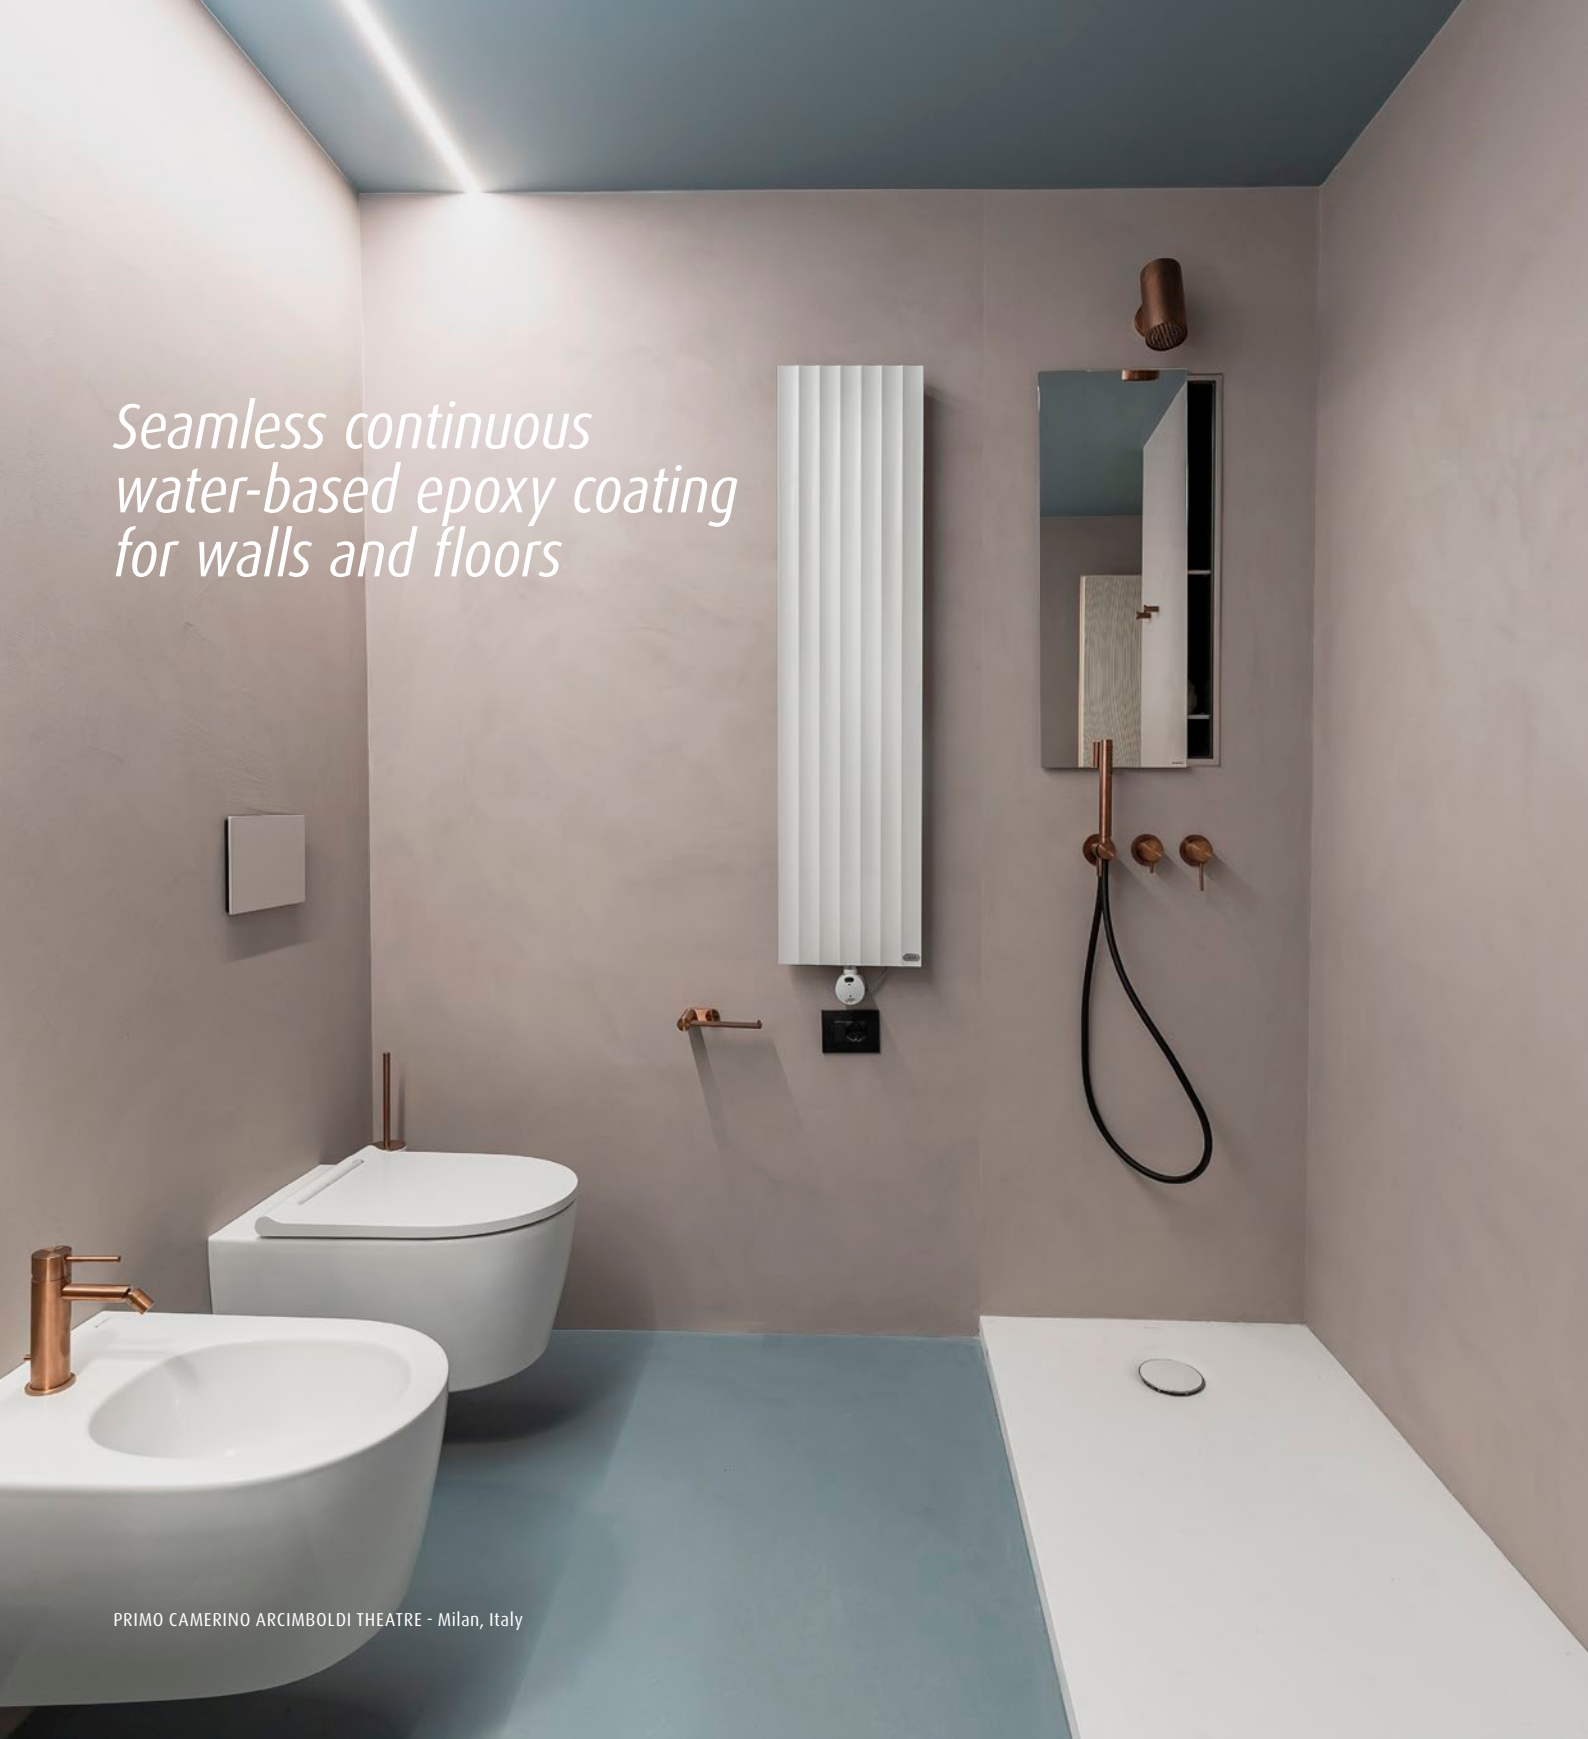

EN. Seamless system for the decoration of walls and floors

Design walls and floors. Continuous and seamless surfaces where matter is the protagonist with its timeless charm.

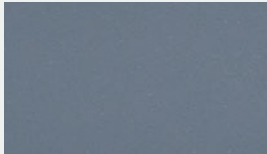

Wall2Floor is a decorative coating for internal horizontal and vertical surfaces, which allows the creation of seamless finishes. Wall2Floor offers aesthetic solutions of great value, with performances able to meet the expectations of designers and architects.

Wall2Floor is the answer to the multiple technical-aesthetic needs of contemporary architecture, in the private or commercial context, in the following areas of use: Residential, for horizontal and vertical surfaces, indoors and outdoors protected, through the use of the Wall2Floor microcement variants Top Coat and Top Coat Fine; Hospitality & Wellness, even in humid areas, thanks to the epoxy and water-resistant solution Wall2Floor Top Coat Waterproof.

WALL2FLOOR

FR. Système continu pour la décoration des murs et des sols

Concevoir les murs et les sols. Surfaces continues et homogènes où la matière est le protagoniste avec son charme intemporel.

Wall2Floor est un revêtement décoratif pour les surfaces intérieures horizontales et verticales, qui permet la création de finitions homogènes. Wall2Floor propose des solutions esthétiques de grande valeur, avec des performances capables de répondre aux attentes des designers et des architectes.

Wall2Floor est la réponse aux multiples besoins technico-esthétiques de l'architecture contemporaine, dans le contexte privé ou commercial, dans les domaines d'utilisation suivants: Residential, pour surfaces horizontales et verticales, à l'intérieur et à l'extérieur protégé, grâce à l'utilisation des variantes de microciment Wall2Floor Top Coat et Top Coat Fine; Hospitality & Wellness, même dans des zones humides, grâce à la solution époxy et résistante à l'eau Wall2Floor Top Coat Waterproof.

DE. Fugenloses System für die Dekoration von Wänden und Böden

Designerdecken und -wände. Durchgehende Flächen ohne Fugen, bei denen die Materie mit ihrem zeitlosen Charme der Hauptakteur ist.

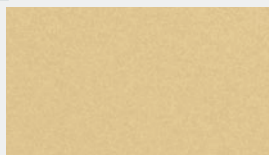

Wall2Floor ist eine Dekorbeschichtung für horizontale und vertikale Flächen in Innenbereichen, mit der sich ein fugenfreies Oberflächenfinish gestalten lässt. Wall2Floor bietet hochwertige optische Lösungen mit Leistungen, die den Erwartungen der Planer und Architekten vollauf gerecht werden.

Wall2Floor erfüllt die vielfältigen technischen und optischen Anforderungen der zeitgenössischen Architektur im privaten und gewerblichen Bereich in folgenden Anwendungsbereichen: Residential, mit der Verwendung der Mikrozzement-Varianten Wall2Floor Top Coat und Top Coat Fine für horizontale und vertikale Flächen in Innen- und geschützten Außenbereichen und Hospitality & Wellness, Dank der wasserbeständigen Epoxid-Lösung Wall2Floor Top Coat Waterproof auch in Feuchträumen.
